

Maulidyah Intan P.

Frontend Engineer

Jakarta, Indonesia | +6285785741046 | maulyintan88@gmail.com

[Personal Website](#) | [LinkedIn](#) | [Github](#)

Summary

Frontend Developer with 5+ years of experience creating modern, high-performance web and mobile applications. Backed by 5 years in graphic design, I deliver clean, intuitive, and pixel-perfect user interfaces.

Skilled in Next.js, TypeScript, JavaScript, React.js, and React Native, with testing experience using React Testing Library and Jest.

Interested in AI agents, automation, and developer tools, leveraging AI to build faster, smarter and more efficient solutions.

Education

Haktiv8 Indonesia

Full Stack JavaScript Immersive Program ([Predicate Honors Award Score 98.47](#))

South Jakarta, Indonesia

February 2021 - May 2021

Stikom CKI

Computer Information System (Predicate Cumlaude GPA 3.57)

East Jakarta, Indonesia

2015 - 2019

Work Experience

PT. Elektronik Distribusi Otomatisasi Terkemuka (eDOT)

Frontend Developer

Remote

June 2021 - May 2026
